

## Compact V-5000

Compact ha la possibilità di fissaggio della guida a muro, soffitto, oppure unico nel suo genere può essere montato con grande effetto di eleganza nelle pareti strutturali in tutto vetro.

*A Compact system guide rail can be fitted to internal walls and ceilings and it is the only one of its kind that can be mounted on structural walls for a stunning all-glass effect.*

*Bei Compact kann die Führung an der Wand, an der Decke, oder auch, was in seiner Art einzigartig ist, mit großer und eleganter Wirkung an vollverglasten strukturellen Wänden befestigt werden.*
